ETHEL FISHER

Is the result of three generations of seedlings, commencing with Beacon and Mr. C.W. Ward's Crimson, No. 211.

The color is a BRIGHT GLOWING RED, like Beacon at its best.

The plant has a healthy, upright, open habit of growth, producing early and freely, on long, stiff, wiry stems, uniform flowers, that average 3½ inches, supported by a strong calyx that rarely bursts.

ITS STRONG POINTS

Propagates easily. A continuous all winter bloomer, you can depend on it for Christmas. A bold, attractive flower, commanding highest prices. Once bought, always asked for, because its keeping and shipping qualities are unexcelled.

PRICE

Rooted Cuttings \$14.00 per 100 \$115.00 per 1000.

BERNICE

A Seedling of Fenn and Beacon. Has proven itself to be one of the best commercial Crimson Carnations coming into the Boston market up to the present time. Not a fancy flower but good commercial variety and 3" to 3½" flower. Easy grower. Long stiff stems. Seldom bursts. Does not make a lot of surplus grass. Throws flower quickly.

PRICE

Rooted Cuttings \$14.00 per 100 \$115.00 per 1000
